**STONETRUST COMMERCIAL INSURANCE SUSPENDS ALL POLICY CANCELLATIONS FOR NON-PAYMENT
OF PREMIUM**

Stonetrust Commercial Insurance Company will suspend all policy cancellations for non-payment of premiums from March 15, 2020 through April 30, 2020 due to the mandated business closures and overall business disruption caused by the COVID-19 Pandemic response requirements.

Clients who are unable to pay their workers' compensation premium due to the business disruption caused by current events, will have their premium owed deferred to their next payment invoice after April 30, 2020.

"We hope that this temporary suspension of cancellations will offer some relief during this challenging time. We are here to help our clients both personally and professionally as we consider them more than just business partners, but also friends and family," says President and Chief Executive Officer, Michael Dileo.

Stonetrust is a commercial insurance company that provides workers' compensation and employers' liability to over 4,500 policyholders. The company began as a self-insurance fund and has since grown into a stock insurance company licensed in 28 states and writing coverage in eight states including Nebraska, Louisiana, Arkansas, Mississippi, Oklahoma, Missouri, Tennessee, and Texas.
