Dear Agency Friends,

I hope all of you and your families are doing well. We appreciate your partnership and want you to know that we consider you more than business partners but also friends and family.

As you've probably heard by now, we've taken appropriate steps to transition our operation so that we would have minimal disruption as we adhere to COVID – 19 requirements. Even though the last several weeks have been challenging for all of us, I'm pleased to let you know that we've enjoyed a smooth transition and we're ready and available to assist you in whatever way possible to help you with your workers' compensation coverage placements.

We were extremely fortunate to enjoy 2019 as the most successful year in Stonetrust's 27-year history and we're excited that we're off to our best 1st Quarter start in many, many, years! We've worked hard to be your "first choice" for workers' compensation coverage and we're so thankful that we have great partners like you.

As we face the current crisis together, I will keep you updated about our progress and look forward to a day very soon when we can start visiting with you again.

Until then, please know that Stonetrust is here for you as your partner and as family. You and your families are in our thoughts and prayers and we're here to help you any way that we can.

Thank you.

Mike
